RUTH BRYANT

Ruth is beyond proud to lead the White Team during this year's show, Fairytales. To be honest, Ruth knew nothing about Spirit Night when she first came to Egan, but after being pushed by one of her best friends, Kimberly Padilla, to try out with her (even though she was on the Blue Team), she did, and the moment she did, she was hooked. Ruth has been a captain all four years: as a freshman in Powderpuff

Girls, a sophomore in The Wizard of Oz, a junior in Waitress, and, saving the best for last, she will be playing Tiana in The Princess and the Frog. Spirit Night has truly been the best experience of Ruth's four years at Egan. It is the thing she has looked forward to every year without fail. Spirit Night has brought her so many friendships. It has allowed her to take pride in her creativity and learn to enjoy the process, even on the hard days. With Ruth and Josh Garwo being the first black overalls ever, their goal was to bring lasting diversity to a crucial part of their lives. Ruth wants to thank both her underclassmen and upperclassmen captains for making this year the most special to her, but especially Rylee Broll and Jemmah Fofana for making it fun on the hard days. Olivia Briganti for all of her amazing ideas that brought our dance together. Brooke Hueston for her help with the mural and the laughter along the way, and her dance and sport captains, Avery Kenworthy, Allie Kerner, and Gracie Bilardo, for their great work. Ruth is also forever grateful for sharing her senior year with her two twin freshman siblings and hopes to have left them with a lasting reminder of what leadership is. I want to thank my Mom and Dad for the patience and support they have given me throughout these past four years along with that I want to say thank you to the White Team Moms for all the help and time they devote toward the event, especially the senior moms: Alison Briganti, Kasey Kenworthy, Nicole Jacavage, Amanda Ferguson, Kelly Kerner, Heather Kotch, and Laura Bux. Thank you to the White Team moderators, Mr. Sullivan and Ms. Micalizzi, for dedicating their time to this event; their support is unbelievably appreciated, and I can never truly express how grateful I am. Josh and I are so thankful. And to Mr. Dinan, I don't know how to put into words how much the belief you had in me allowed me to keep pushing, and that is something I can never pay back. I thank you for EVERYTHING. To Gabbi, Cassidy and David, the best of luck to all of you, because I know how hard you have worked and how much truly goes into this. That being said, to everyone, all of the family and friends in the stands, WELCOME TO CEC SPIRIT NIGHT 2026: FAIRYTALES!

OVERALL WHITE CAPTAINS

JOSHUA GARWO

is beyond proud and honored to lead WHITE TEAM this year alongside his fellow Overall Captain, Ruth Bryant. Spirit Night has been a part of Josh's life for as long as he can remember. As a young boy, he would sit in the audience watching his older brother, Patrick. At the time, he never imagined that one day he would grow up to help lead the very event he once admired from the crowd. Josh has had the honor of serving as a captain during all four of his years at CEC. In his freshman year, he was captain

of Power Rangers for Toys. In his sophomore year, he was also the Captain of Aladdin for Broadway. That year, he made Spirit Night history alongside fellow captains Abu Fofana and Zymeer Davis as the first three Black captains to lead a dance. In his junior year, he was captain of Navy for Occupations. This year, he is honored to serve as White Team Overall Captain while also leading the Peter Pan dance. This year marks another historic moment, as Josh and Ruth are the FIRST TWO BLACK OVERALL Captains in Spirit Night history. To Josh, this represents how much Conwell Egan's community continues to grow and evolve, and he feels incredibly grateful to be part of such a meaningful moment. Outside of Spirit Night, Josh is deeply involved in the CEC community. He serves as Vice President of Student Government and Vice President of Yearbook. He is also a Student Ambassador and was honored to be crowned Homecoming King. In addition, Josh was King Triton in this year's school musical, The Little Mermaid. Balancing the responsibilities of being an Overall Captain while also playing a lead role in the musical was definitely a challenge, and he is incredibly proud of himself, no matter what the outcome is. After graduation, Josh is excited to further his education at Saint Joseph University, majoring in Entertainment Marketing. Josh would like to thank everyone who dedicated their time and energy to White Team. He would especially like to thank last year's Overall Captain, Maxi Ellison, for being such a supportive friend. He is also incredibly grateful to Mr. Sullivan, Mrs. Micalizzi, and especially Mr. Dinan for making this entire process amazing. They are the true people who bring Spirit Night to life, and he will forever be grateful for them. A huge thank you also goes out to the WHITE TEAM MOMS. Their long nights, dedication, and countless hours of work help bring every captain's vision to life, and their support never goes unnoticed. Josh would also like to thank his family for their support. Most importantly, he would like to thank his mom for being by his side throughout this entire journey. I love you and thank you for everything. To his fellow captains, He thanks you for giving him a second family and loves you all. He would like to give a special thank you to his Co-Overall, Ruth Bryant, along with Patrick Haney, Olivia Briganti, Jemmah Fofana, Emerson Brown, and Aubrey Lascala, for always supporting him and making this experience even more meaningful. Lastly, Josh would like to wish the Blue Team, led by his friends Gabbi Snowden, Cassidy Slaven, and David Ruiz, the best of luck. So, with that being said.....

WELCOME TO SPIRIT NIGHT 2026 FAIRYTALES!!!!
ENJOY THE SHOW! #DUBS UP FOR LIFE!!!!

OVERALL BLUE CAPTAINS

CASSIDY SLAVEN

is honored to be the person Blue Teams look to for guidance, leadership, and her drive to win. Cassidy has dedicated much time toward Spirit Night as a dancer in Rubber Ducks, Wonderland, and Flight Attendants, and was a dance captain in this year's Beauty and the Beast. About a month ago, Cassidy was appointed the role of overall, by her best friend Gabbi Snowden and co-overall David Ruiz and she was so happy to step up and represent the beloved Blue Team that has worked so hard! Gabbi was a dance captain for her freshman, sophomore, and junior year, and was honored to receive overall captain her Junior year. Gabbi has put her all into every single opportunity she is given, and although she unfortunately no longer has the title of overall, she has continued to lead the team to the best that she can, as she has put countless hours and dedication into this, and truly loves Spirit Night! Cass would like to wish the white team the best of luck, led by Josh Garwo & Ruth Bryant, as the Blue team is beyond excited to see what you guys have put together. Now, there are a few people Cassidy and the entire Blue team would like to thank, as nothing would be possible without these people. Thank you so much, Danielle Mullins, Kayla Sullivan, Melina Rallis, all of the Moms who have helped this event come to life, and of course, Mr. Dinan. You all are appreciated so much, and we truly don't know what we would do without you. Lastly, I want to shout out my co-overall. David has had a very hard past few months, but has continued to show up for his team and has shown that he wouldn't let his team down. But last but not least, the blue team is so excited to show you what they have been working on, and hope you have a great time and enjoy the show!!!!

GO BLUEE ALWAYS!!!

OVERALL BLUE CAPTAINS

DAVID RUIZ

is beyond excited to lead the Blue team as an overall alongside his appreciated co-overall Gabbi Snowden. This is David's 3rd year doing spirit night, and only 2nd year being a captain, and was still voted for overall! In this spirit night, Fairytales, David will be appearing as King Midas. David's first experience with Spirit Night was as a spectator as a Freshman, seeing Toys. The Saturday night show captivated

David, and it grew a spark in him to want to participate. Sophomore year, Broadway, Hamilton made him realize he wanted to be a captain and was encouraged to by his upperclassmen teammates. Last year, in occupations, he ran for captain and got it as part of the dance Lifeguards! During the final night David and Gabbi both won and were voted for overall! The friendships and fun that comes with Spirit Night made it such a big factor and love in his life. Spirit Night was also a big help in David's life after his football career was cut short due to injuries. He loves making dances, making skits and putting together creative ideas for the show. The friendly competition, and all the events leading up to the final night, the can food drive, change wars, and the blue/white game, David sees Spirit Night as a great chance to expand friendships with the entire community. This year with King Midas and the Golden Touch, along with the rest of the Blue team, David is planning to have fun while winning! After graduating, David is heading to West Chester University, to study in Physical Therapy, where he plans to get a degree and become a Physical Therapist! David wants to give a special thanks to his friends Ryan Tello and Quashan Turner, for being a big part of David's introduction to Spirit Night and he would not be here without you both. Also a big thank you to all the Senior captains from last spirit night. I would not be able to work with Gabbi to put all of this together if it weren't for your amazing role modeling! Thank you to all the spirit night moms, moderators and Mr. Dinan for helping put this amazing program together! Of course, David gives a big thanks to his parents for helping with ideas and supporting him throughout the process of being overall, Finally a thank you to Gabbi and Cassidy for being so helpful and easy to work with to make the best of this final year! Best of Luck to White team and their overalls, Ruth and Josh, and I'm so excited for you guys to see what we have in store.

**WELCOME TO SPIRIT NIGHT 2026 FAIRYTALES!
GO BLUE! GOOD LUCK WHITE!**

WHAT IS SPIRIT NIGHT?

Chances are, that if you sitting in the stands tonight, you are well familiar with Spirit Night. But for those of you who have never experienced this annual event, you must be thinking: "What exactly is Spirit Night?"

Spirit Night is an almost entirely student-run activity that brings the student population together in competition. It was created by former CEC Physical Education teacher, Jack Klebe (for whom the Spirit Night Trophy is named!), as a way for the school to come together, and show their passion, excitement, and talents.

Each year, the team captains and members prepare for months, honing their skills to eventually show them off over three wild and crazy nights. From January to April, the students choreograph dances, build giant themed murals, design intricate costumes, cut music, organize skits and invent fun and challenging games. All of this work culminates in three amazing nights in April.

The teams perform their hearts out and are judged on everything from choreography to execution, sportsmanship to creativity, and artistic vision to athletic achievement. And every year, the stands are full with parents, friends, and alumni, who are eager to both show their support and share in the memories that are made with each unforgettable performance!

Thank you for your continued support and for sharing with us this longstanding CEC tradition!

MURALS & ARTS

Year after year, the Art captains never cease to amaze with their wonderful creativity and talent. They undertake the daunting task of turning elaborate 10x20 sketches, seen on these two pages, into the massive murals you see this evening.

For several weeks leading up to Spirit Night, each team spends countless hours painting and perfecting their side's mural. Then on the weekend prior to the performances, they finally get a chance to display them, with the help of the Father's Club, who graciously donate their services in erecting the framework.

Each team wishes to give special gratitude to their captains for all their hard work:

White Team Captains: Brooke Hueston and Prince Damas,
and **Blue Team Captains:**
Ariella Parks and Luke Phinn.

Congrats to all of you for your wonderful achievement in Art!

COSTUMES

All the students involved with Spirit Night wish to thank the mothers for all they have done this year. They would especially like to recognize:

Linda Benedetti for the White Team

Danielle Mullins for the Blue Team.

From simple sketches to detailed instructions, the mother's tireless efforts for the past 3 months have helped bring alive each team's vision of their dance. We thank them for their creativity and generosity as they continue their wonderful support of Spirit Night. When you see the finished product of their labor, you will see they have truly outdone themselves this year!

CANNED FOOD DRIVE

On a chilly Saturday in Fall before Thanksgiving, the school held a canned food drive, awarding one point to the team that collected the most items for the drive. Both teams combined to collect just over to 17,600 items to donate to shelters and families in need! It was a close tally, but the White Team collected more, was declared "King of the Lot," and was awarded a Spirit Night point in the process! Also, as an added bonus this year, since both teams combined to collect more than 15,000 items, they earned the right to duct tape Mr. Dinan to the wall in the café in December, where he stayed for three hours during lunches!

BASKETBALL MARATHON

Every year, during the annual Basketball Marathon, both teams play two games, one for Underclassmen and one for Upperclassmen, with a Spirit Night point on the line for both.

The Underclassmen game ended in exciting fashion, as Sophomore Stephen Slivka hit the game winner for blue on a layup with 0.2 seconds left on the clock. In the Upperclassmen game, White took a commanding 16-4 lead at half. Blue battled back, and had a chance to tie or take the lead late, but White ultimately held on, to win 22-20.

The games ended in a split with both teams winning One Spirit Night point!

PENNY/CHANGE WARS

Each year, as part of the Spirit Night festivities, the Blue and White teams compete in Penny Wars. The way Penny Wars works is each team has a bucket that they place Pennies into. Pennies count positively towards their total. But the other team can place silver coins and dollar bills into their bucket, which then subtracts from their total. So if the White Team places 200 pennies into their White Bucket, and the Blue Team places a dollar bill and 2 quarters into the White Bucket, the White Team's total is only 50 cents. Each team battles back and forth until the final day, when the coins and bills are added up. The team with the highest score wins a Spirit Night Point.

Both teams save all year to be able to help their team win. When all is said and done, the two teams come together as one and donate 100% of the proceeds to Catholic Charities. In 2024 alone, the students raised \$5,797, (a Penny Wars Record)! Last year, in 2025, we collected \$2,976!

Who will win the Change Wars this year? We'll find out during the Saturday Night performance!

*Summer- It has been so much fun watching you

Love you, Beeba and Pops*

Fairy tales have long captured our imagination, with stories of magic and mischief, heroes and villains, courage and transformation. From humble beginnings to epic endings, these timeless tales remind us that every journey is shaped by challenges, choices, and the belief that something better lies just beyond the horizon. Whether it's a slipper left behind, a spell waiting to be broken, or a wish whispered into the stars, fairy tales teach us that hope, kindness, and determination can change any ending. Though these tales are filled with magic, at their heart they remind us of very real truths: that courage often comes from unlikely places, kindness can break the strongest spells, and hope has a power no villain can destroy.

Much like those enchanted stories, Spirit Night brings entire worlds to life. Each team begins with a blank page, building castles from cardboard, dreams from collaboration, and characters from pure imagination. Behind every scene, there's teamwork, creativity, and the courage to take risks. All qualities that mirror the heroes we've grown up admiring. Just as fairy tales are passed down and retold in new ways, Spirit Night thrives because each class adds its own voice, its own twist, and its own touch of magic to a tradition that never grows old.

Tonight's performances remind us that everyone has a part to play. Some light the stage like fairy godmothers, others work behind the scenes like clever inventors or loyal sidekicks. Together, they create a story that blends heart, humor, and harmony, proving that Spirit Night isn't just about competition, it's about the wonder that happens when imagination meets community. Every costume, prop, and dance step is a chapter in a story written by the students themselves, one that celebrates both individuality and unity.

To our graduating Seniors: Your story began Once Upon A Time, when you first stepped into this gym during Toys, your very first Spirit Night. Since then, you've grown from wide-eyed dreamers into confident creators, learning that even when life doesn't follow the script, you have the power to write your own ending. As you turn the page to the next chapter, remember that the best stories aren't defined by perfection, but by perseverance, growth, and the people you meet along the way. May your journey continue with courage, kindness, and just enough magic to keep your dreams alive. I look forward to watching you continue to dream boldly, live bravely, and create a story that others will be inspired to read.

- Mr. Dinan
