FROM THE OFFICE OF ACADEMI

Three CEC students, **Kellyanne Castagna, Aiden Habas, and Katherine Stella**, are attending a Youth Summit at CHOP through the *Multicultural Professionals Network (MPN)* today! To provide some background, the Multicultural Professionals Network (MPN) leadership team received a CHOP BEST grant through the Research Institute. Their purpose is to host a youth summit event to recruit minority high school aged students interested in research or the health care professions.

While our mission is to increase exposure to diverse students in STEM, we would also like to focus on the emergent needs and strategic priorities of fortifying a diverse pipeline of healthcare

professionals. The intent is to expand opportunities to students within the Philadelphia community, increasing faculty and student satisfaction and engagement to address healthcare disparities. The program seeks to provide an immersive educational experience comprising networking with healthcare professionals and researchers, hands on science demonstrations, academic coaching/mentoring, and peer to peer accountability.

Good luck to these students

FROM THE OFFICE OF ADMISSIONS

We look forward to welcoming prospective families to come see us and get to know more about CEC! We hope you can join us!

FROM THE OFFICE OF ATHLETICS

Fall Season Updates

Field Hockey: Our girls are tied for third place in the PCL with a 4-2 record. The new field is a tremendous asset for the field hockey program. The girls are playing well and having a great season. They will be heading to the PCL playoffs for the first time in many years.

Football: Football has a big game coming up this Saturday with Neumann-Goretti. Both teams are tied for second place in the Blue Division with a 3-1 record.

Girls Soccer: The girls soccer team is tied for third place in a strong PCL league. Their record is 4-3 and have some big games coming up. They continue their hard work and are preparing for PCL playoffs.

Boys Soccer: Coach Rigney and the boys have been working hard on their game. A few key injuries have led to a tough start of the season. The boys are playing well and are improving with each game. A huge 2-1 win over LaSalle on Tuesday put the team in fifth place to qualify for the PCL playoffs..

Cross Country: Our runners continue to make strides at their meets at Belmont Plateau.

Golf: The regular season has come to an end. We will not be moving on in the PCL or PIAA playoffs.

Girls Volleyball: The girls are playing some awesome volleyball. They sit tied for third place in the PCL with a record of 6-2 with their only losses to powerhouse O'Hara and Lansdale. We will compete in the PCL playoffs and move onto PIAA Districts in the coming weeks.

AD's Corner: We are proud to welcome our new coaches to the CEC family. We welcome Tyrone Lewis (Boys Basketball), Ashley Hauschild (Cheerleading) and Jeff Manto (Baseball). All three coach bring a unique balance to our school. They all have extensive experience on the court, field or sideline. Bigger and brighter things happening in CEC Athletics.

General Updates

The back field renovations are near completion. The turf field is installed and the final finishing touches are being completed. We are very excited about what CEC is providing our Student/Athletes and providing them with the best playing facilities in all of Bucks County.

Let's Go Eagles!

FROM THE OFFICE OF TECHNOLOGY

Time is running out to purchase Safeware (Chromebook) Insurance!

The Safeware (Chromebook) Insurance web portal will be closing at midnight tonight, Friday, October 14, 2022. If you purchased insurance last year (2021-2022), your Chromebook policy expired on Friday, September

4, 2022.

Whether or not you had purchased an insurance policy in the past, please take a moment to read the PDF (available by clicking on the link below) regarding the Safeware Chromebook insurance policy. While voluntary, with parts and device replacement costs increasing, I strongly urge everyone to take advantage of this program. As noted in the PDF, this insurance/repair plan covers your CEC issued Chromebook against:

Accidental Damage, Theft, Robbery, Burglary, Drops, Falls, Collisions, Cracked Screens, Liquid Spills, Submersion, Power Surge, Vandalism, Flood, Fire and mechanical breakdowns.”

The insurance premium is \$43.40/year (with a \$50.00/repair deductible) and may be purchased online using a credit card. Please click on the link below to access the login and purchasing instructions as well as answers to some frequently asked questions.

https://drive.google.com/drive/folders/1KaSdqCUGXv3JTqtH_1VcsEngexOGg74R?usp=sharing

When purchasing an insurance policy you will need the “SERVICE TAG” number of the Chromebook for which you are purchasing insurance. The “SERVICE TAG” is 7 alphanumeric characters in length (i.e. C2EC023) and may be found on the bottom of the Chromebook.
