

CONWELL EGAN CATHOLIC

PRESENTS

SPIRIT NIGHT

7:00 PM

ARCADE

MARCH 30-APRIL 1

GAMES

# What is Spirit Night?

Chances are, that if you sitting in the stands tonight, you are well familiar with Spirit Night. But for those of you who have never experienced this annual event, you must be thinking: “What exactly is Spirit Night?”

Spirit Night is an almost entirely student-run activity that brings the student population together in competition. It was created by former CEC Physical Education teacher, Jack Klebe (For whom the Spirit Night Trophy is named!), as a way for the school to come together, and show their passion, excitement, and talents.

Each year, the team captains and members prepare for months, honing their skills to eventually show them off over three wild and crazy nights. From January to April, the students choreograph dances, build giant themed murals, design intricate costumes, cut music, organize skits and invent fun and challenging games. All of this work culminates in three amazing nights in April.

The teams perform their hearts out and are judged on everything from choreography to execution, sportsmanship to creativity, and artistic vision to athletic achievement. And every year, the stands are full - with parents, friends, and alumni, who are eager to both show their support and share in the memories that are made with each unforgettable performance!

Thank you for your continued support and for sharing with us this long-standing CEC tradition!

# **PROGRAM**

Welcome/Performers' Entrance

Captain Introductions

Opening Prayer

National Anthem

Alma Mater

Captain Dance

Sports

Freshmen/Sophomore Dance

Junior/Senior Dance

Awards for the Evening

Overall Moderator: Mr. Bob Dinan '02

White Team Moderators : Mrs. Kristen Kraunelis

Ms. Elizabeth Harbison '12

Blue Team Moderators: Ms Julianna Rifkin '18

Ms. Julianna Gainsburg '17

Sound : Mr. Al Emmons

Lights: Kaitlyn Nichols

Vanessa Singleton

Many thanks to all who helped make Spirit Night a reality: The Father's Club for setting up the mural framework; Mr Wurtz's Engineering class, Jahmai Person from 21st Century for assisting with choreography, our wonderful mothers and helpers who made the costumes; and to the parents and families for their love, patience, and support.

# OVERALL

**Ronald Brown** was born for Spirit Night!

Upon his arrival to Conwell Egan, Ronald had barely even known what Spirit night was or that it even existed. Ronald was introduced to Spirit Night his freshman year by none other than the 2021 Overall Mac Coyle. "Just try it out , you'll love it" were the words Ronald needed to hear and hasn't turned back. Since then, Ronald has been a part of Spirit Night all Four of his Years at Conwell-Egan. Fresh-man year Ronald participated in the dance "Chess". Ronald then went on to become an official Captain his sophomore year of the dance "Veterans Day".

Unfortunately, due to covid Ronald's captain debut was cut short. Though Ronald didn't stop there becoming a captain once again his Junior year in the dance "Quentin Tarantino". Moving on, Ronald Brown is set to make his Overall Captain debut with the dance "Mortal Kombat". Ronald Brown is beyond grateful for being selected as Overall. Spirit Night was something he never knew he needed.

Ronald Brown loves everything about Spirit Night from the entire Community coming together to the School Spirit , Sports, Competitiveness, Dedication and of course being able to Boogie on the dance floor. Ronald's favorite part about Spirit Night is being able to watch all of his and others' ideas come to life! Apart from Spirit Night Ronald Brown has been involved with the Basketball team his first two years at Conwell Egan and the Varsity Baseball Team all Four years at Egan. Ronald plans to further his education at Penn State University Main Campus as an "Undecided" Major. Ronald would like to give a huge Thank You to all of the Spirit Night Moms White and Blue for helping contribute to making all of this possible! Ronald would also like to give a huge Thank You to Mr. Dinan, the White Team Moderators, Mrs. Kraunelis and Ms. Harbison for their Hard work, commitment and guidance in and out of Spirit Night. Ronald would like greatly shoutout his Co-Overall Jessica Ely as well as ALL his other White Team Captains for all their continuous hard work and dedication. Lastly Ronald would like to give Thanks and a Shoutout to his friends and family who have continued to support him every step of the way. Especially his best bud-dies Mac Coyle and Blake Delia for the constant motivation , encouragement and guidance every single day. It is Ronald Brown Honor to be able to present to the CEC Community and others Spirit Night 2022! Ronalds advice to anyone considering or looking into Spirit Night would be "Just try it out , you'll love it"!

#GOODLUCKBLUE #GOWHITE #WEARETHEWHITETEAM #DUBSUP4LIFE

# WHITE CAPTAINS

**Jessica Ely** has participated in Spirit Night for the past 4 years. Her Freshman year she was a part of Old McDonald, Sophomore year she was a captain for Cinco de Mayo, then a captain for John Hughes her Junior year and now has the greatest pleasure of being Overall for the White Team while being a captain for Mario Kart. Not only does she love the environment spirit night gives but she also loves the people. From the moment she was on White Team she always said that not only did it feel like a team it felt like a family. As Overall, she welcomes all the new fresh-men and new students

and makes it a fun environment to be a part of. The one thing she's most grateful for is the relationship amongst the White Team, it does her heart good to see everyone always smiling, laughing and enjoying their time together. Jessica was a cheer-leader at Egan for all 4 years of high school and was captain her Senior year. Her plan is to go to West Chester to major in Business. She wants to give a huge thank you to Breanna Donahue and Emily Dougherty for sticking by her side for the past 4 years and being the greatest friends and captains that she could ask for; without them she doesn't know where she would be. Also a huge thank you to her mom and dad who were her support systems and did so much to help her out along the way. Thank you to Jen Dougherty, Chuck Dougherty and Marita McKenna also for all their time they put into this. She is also very grateful for the dedication and hard work her spirit captains, sport captains, and co-overall Ronald has put in this year. Lastly, a thank you to Mr. Dinan, Elizabeth Harbison and Mrs. Kraunelis for making this all possible and for always being a helping hand. She wishes the Blue Team the best of luck!

## Let's go White Team!!!

# OVERALL

**Patrick Millard** has been a blue team captain since his fresh-man year at CEC. He looks to end his final year off with another win just as blue won his freshman year. PJ comes from a family of Conwell - Egan graduates who have partici-pated in past years and was excited after his freshman year to finally be apart of an amazing event at CEC. After last year being a much different spirit night with no fans he is excited to be able to have a packed house again like old times. PJ Millard and Jessica Silva have confidence that this year them and their captains have what it takes to bring home the Klebe. PJ would like to thank

Kevin McMenamin, David Phinn, Melina Rallis, and the rest of his fellow captains throughout the years who have helped and taught him a lot from a leadership perspective. PJ says after high school, spirit night will be a memory he will never forget, and he was very honored to be a part of for his four years at CEC. Lastly, PJ hopes you all enjoy Spirit Night 2022 Arcade Games!

# BLUE CAPTAINS

**Jessica Silva** has been a BLUE captain for all 4 of her years at CEC! She has been looking forward to taking on this position for quite some time! Her first time ever attending Spirit Night was in 2012, when CEC put on “Cereal”. At just 8 years old, she knew that one day she would be a part of such an amazing, completely student-directed production! Her freshman year, she was a captain of “Twister” for Board Games where 2019 Blue Overalls Melina Rallis and Bob Phinn brought the Blue team to a much needed/long awaited victory! Her sophomore

year, she was a captain for Mardi Gras for the “Holidays” theme. Her junior year, she got to be a captain for “Grease” with previous overall captain Jaqueline Swope. This year, you can find her dancing away in the remarkable arcade game of **“Dance Dance Revolution”**! Jess loves the environment, spirit and energy of the Blue Team. As a team, BLUE continues to strive for success through positivity, fun and perseverance. They always keep their head up and put so much time and effort into the common goal of getting to hold that Klebe on Saturday Night. The Blue team is a second family to her and are always helping her and her fellow overall, PJ Millard reach their final goal as seniors at CEC. Jess and PJ are excited to finally show everyone what they’ve had up their sleeves and have been waiting to share with the school community for years. They bleed BLUE! Finally, Jess would like to give you all a warm welcome to Spirit Night 2022 Arcade Games! Welcome to the party!

## Claw Machine

A claw crane, claw machine, toy crane or skill crane is a type of arcade game known as a merchandiser, commonly found in video arcades, supermarkets, restaurants, movie theaters, shopping malls, and bowling alleys. The object is to maneuver the crane or claw over the desired prize, in the hopes of picking it up and bringing it back to the prize chute. One popular method of movement for claw machines is the ever popular joystick control, in which the player has full control of the claw in all directions, and a separate button is used to deploy the claw. This is becoming much more popular, as it makes claw machines much easier for the inexperienced.

## Mega Man: The Power Battle

The game allows the player to choose between three playable characters: Mega Man, Proto Man, and Bass. The evil Doctor Wily has rebuilt some of his Robot Masters, with which he is trying to take over the world, forcing the heroes to stop him. Two players can play the game simultaneously as different characters and team up to defeat the bosses. The game plays similarly to the main *Mega Man* games - the player uses one button to jump, and one to fire the character's arm-mounted energy weapon. Holding the fire button charges the weapon in order to release a stronger blast. Holding down while pressing the jump button makes the character perform a dash, the appearance of which varies between characters.

## NBA Jam

NBA Jam, which features two-on-two basketball, is one of the first real playable basketball arcade games and is also one of the first sports games to feature NBA-licensed teams and players, and their real digitized likenesses. A key feature of NBA Jam is the exaggerated nature of the play – players can jump extremely high and make slam dunks that defy both human capabilities and the laws of physics. There are no fouls, free throws, or violations except goaltending and 24-second violations. This means the player is able to freely shove or elbow opponents out of the way. Additionally, if a player makes three baskets in a row, the character becomes "on fire" and has an unlimited turbo and increased shooting precision. The "on fire" mode continues until the other team scores, or until the player who is "on fire" scores four additional consecutive baskets while "on fire".

## X-MEN

X-Men is a side-scrolling beat 'em up game based on the Marvel Comics superhero team of the same name. The character designs of the characters in the game are based on the 1989 cartoon *X-Men: Pryde of the X-Men*. You can opt to play as Cyclops, Colossus, Wolverine, Storm, Nightcrawler, or Dazzler. In the game, up to six players control the X-Men to defeat their archenemy Magneto who has kidnapped Professor X and Kitty Pryde, prompting the heroes to go on a rescue mission. The heroes fight their way to Island M and ultimately to Magneto's base on Asteroid M where the final battle takes place.

## Deal or No Deal

Deal or No Deal Arcade is extremely similar to the show. Just like that show, you choose your case in hopes of having the highest point value on the board. You then eliminate cases in each round as prompted until you receive the “OFFER” from the BANKER. You either take the deal or hit the NO DEAL button to continue play in hopes that you have best deal in your case.

## TRON

*Tron* consists of four sub-games based on events and characters in the movie. In general, the player controls Tron, either in human form or piloting a vehicle, using an eight-way joy-stick for movement, a trigger button on the stick to fire (or slow down the player's light cycle), and a rotary dial for aiming. The goal of the game is to score points and advance through the game's twelve levels by completing each of the sub-games.

## Mario Kart Arcade GP

*Mario Kart Arcade GP* is the initial installment in this racing series, featuring characters from the Nintendo Universe. There are a total of six cups, with four tracks in each, totalling twenty-four. The cups are Mario Cup, Wario Cup, Pac-Man Cup, DK Cup, Bowser Cup, and the unlockable Rainbow Cup. After a track is completed, the player must insert additional credits to continue the game, even if first place is achieved. After finishing all four races from each stage, a "challenge game" comes up, in which the player is required to complete a certain task; each of them requires the player to drive to a goal under a certain amount of time while under a certain condition, such as driving backwards through a field of banana peels.

## Mortal Kombat

*Mortal Kombat* is an arcade fighting game in which players battle opponents in one-on-one matches. The game focuses on several characters of various intentions who enter a martial arts tournament with worldly consequences. The fighter that completely drains the opponent's health bar first wins the round, and the first to win two rounds wins the match. It introduced many key aspects of the *Mortal Kom-bat* series, including the unique five-button control scheme and gory finishing moves called Fatalities.

## Space Invaders

*Space Invaders* is a fixed shooter in which the player controls a laser cannon by moving it horizontally across the bottom of the screen and firing at descending aliens. The aim is to defeat five rows of eleven aliens — although some versions feature different numbers — that move horizontally back and forth across the screen as they advance toward the bottom of the screen. The player's laser cannon is partially protected by several stationary defense bunkers—the number also varies by version — that are gradually destroyed from the top and bottom by blasts from either the aliens or the player.

## Teenage Mutant Ninja Turtles

The player chooses from one of the four Ninja Turtles: Leonardo, Michelangelo, Donatello, and Raphael. Depending on the version of the game, the characters are either chosen via an in-game select screen or based on which coin slot the player placed their credit into. After Shredder kidnaps the Turtles' friend April O'Neil and their mentor Splinter, they must give chase, save their comrades, and defeat the evil Shredder. Up to four players (two in some versions) can take control of any of the Turtles. Donatello has slower attacks but a longer range, Michelangelo and Raphael have faster attacks but a shorter range, and Leonardo is a well-rounded Turtle with average range and speed. Battle the Foot Clan as you make your way through the levels to rescue the Turtle's friends!

## Whack-A-Mole

A typical Whack-A-Mole machine consists of a waist-level cabinet with a play area and display screen, and a large, soft, black mallet. Five holes in the play area top are filled with small plastic moles, which pop up at random. Points are scored by whacking each mole as it appears. The faster the reaction the higher the score. If the player does not strike a mole within a certain time or with enough force, it will eventually sink back into its hole with no score. Although gameplay starts out slow enough for most people to hit all of the moles that rise, it gradually increases in speed, with each mole spending less time above the hole and with more moles outside of their holes at the same time. After a designated time limit, the game ends, regard-less of the skill of the player. The final score is based upon the number of moles that the player struck.

## Ms. Pac-Man

The gameplay in Ms. Pacman is very similar to that of the earlier released *Pac-Man*. The player earns points by eating pellets and avoiding monsters (contact with one causes Ms. Pac-Man to lose a life). Eating an energizer (or "power pellet") causes the monsters to turn blue, allowing them to be eaten for extra points. Bonus fruits can be eaten for increasing point values, twice per round. As the rounds increase, the speed increases, and energizers generally lessen the duration of the monsters' vulnerability, eventually stopping altogether. *Ms. Pac-Man* was acclaimed by critics for its improvements to the original *Pac-Man* gameplay and for having a female protagonist, with many critics and gamers describing it as superior to *Pac-Man*.

## Donkey Kong

*Donkey Kong* is considered to be the earliest video game with a storyline that visually unfolds on screen. The eponymous Donkey Kong character is the game's de fac-to villain. The hero is a carpenter originally unnamed in the Japanese arcade release, later named Jumpman and then Mario. Donkey Kong kidnaps Mario's girlfriend, originally known as Lady, but later renamed Pauline. In the game, Mario must ascend a construction site while avoiding obstacles such as barrels and fireballs to rescue his girlfriend Pauline from Donkey Kong. This is the first occurrence of the damsel in distress scenario that provided the template for countless video games to come.

## Dance Dance Revolution

*Dance Dance Revolution*, or DDR for short, is the pio-neering series of the rhythm and dance genre in video games. Players stand on a "dance platform" or stage and hit colored arrows laid out in a cross with their feet to musical and visual cues. Players are judged by how well they time their dance to the patterns presented to them and are allowed to choose more music to play to if they receive a passing score. DDR has been met with critical acclaim for its originality and stamina in the video game market, as well as popularizing the use of videogames as a medium for fitness and exercise.

# MURALS AND ART

Year after year, the Art captains never cease to amaze with their wonderful creativity and talent. They undertake the daunting task of turning elaborate 10x20 sketches, seen on these two pag-es, into the massive murals you see this evening.

For several weeks leading up to Spirit Night, each team spends countless hours painting and perfecting their side's mural. Then on the weekend prior to the performances, they finally get a chance to display them, with the help of the Father's Club, who graciously donate their services in erecting the framework.

Each team wishes to give special gratitude to their captains for all their hard work: White Team Captains: Claire Gutherman and Angelina Kenny, and Blue Team Captains: Angelina Lyons and Ashley Osborne. Congrats to all of you for your wonderful achievement in Art!

**Transparency of the Blue Team Mural Sketch**

# WHITE TEAM 2022 ARCADE GAMES MURAL SKETCH

# BLUE TEAM 2022 ARCADE GAMES MURAL SKETCH

# SPORTS

Each year, our Sports Captains think up challenging events for their classes to compete in each night. This year our Sports Captains have not disappointed. Below are the events thought up by White Sports Captains Jessica Gentile and Mark Gorman, and Blue Sports Captains Madison Stackhouse and Giovanni Patitucci!

## Thursday Night

**Freshmen – Scooter Relay:** Partners will pull your partner on a scooter while going in and out of the cones, the person on the scooter has to place a tennis ball on the last cone, the next pair will bring the tennis ball back

**Sophomore - BALL IN BUCKET :** Participants sit in a circle then run to the foul line where they attempt to get a tennis ball in the bucket. One hoop taken away each round.

**Juniors – SACK PULL:** Participants pull their partner in a sack to and around the cone then switch with their partner.

**Seniors – Elephant March:** Wearing stockings with tennis balls on their heads , players knock down water bottles run and touch the cones.

## Friday Night

**Freshmen – JUMP ROPE RELAY:** Participants will jump rope to the other end of the gym, around the cone, and back.

**Sophomores – WHEELBARROW RACE :** Partners wheelbarrow their partner AROUND the cone then switch and wheelbarrow back.

**Juniors – Friday Night - FOOTBALL DIVE :** Participants run and put the tennis ball on top of the cone, run around the cone, and dive for the football.

**Seniors – Friday Night - COTTON SWAB FIGHT / JOUST :** Participants attempt to knock their opponent off the stand with a cotton swab.

## Saturday Night

**Freshmen – Three Legged Race :** Participants will have their legs (with a partner) tied by a bandana. They will go to AND AROUND the cone and back to slap their teammates hand.

**Sophomores – Hula Hoop chain relay:** Participants will create a line and hold hands and attempt to get a hula hoop all the way to the other end of the line.

**Juniors – Saturday Night - TIRE PULL :** Participants attempt to pull the knot past the line before the opponent

**Seniors – Saturday Night - TUG OF WAR :** Participants try to pull knot past the line before their opponent does.

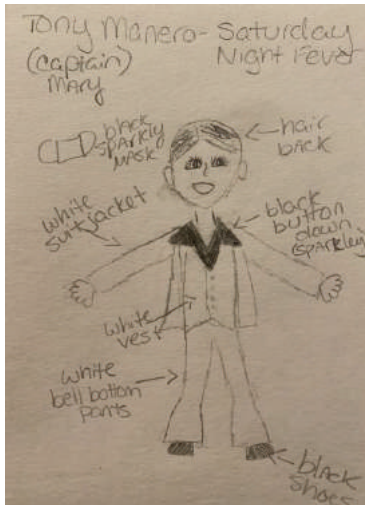

# COSTUMES

All the students involved with Spirit Night wish to thank the mothers for all they have done this year. They would especially like to recognize:

Linda Benedetti for the White Team  
Danielle Mullins for the Blue Team.

From simple sketches to detailed instructions, the mother's tire-less efforts for the past 3 months have helped bring alive each team's vision of their dance. We thank them for their creativity and generosity as they continue their wonderful support of Spirit Night. When you see the finished product of their labor, you will see they have truly outdone themselves this year!

# Basketball Marathon

Each year, during the CEC Basketball Marathon, the White Team and Blue Team kick off the games with a Freshmen/Sophomore game, and a Junior/Senior Game. The winner of each game is awarded one Spirit Night Point.

In the Underclassmen game, White won the tip and immediately scored to take a 2-0 lead. They then stayed in control the whole game, winning 25-18

Game two kicked off with a three pointer by the Blue team. White would answer back with a bucket from Overall captain Ronald Brown. It was a defensive affair, trading buckets. White took a 13-11 lead late in the game on a three pointer, only to have Blue team Overall, PJ Millard drain a three of his own, to reclaim the lead. Blue would ultimately take the game 16-13, and secure a tie, with both teams winning one Spirit Night point.

Congrats to the Both Teams! They each start with 1 point!

# PENNY WARS

Each year, as part of the Spirit Night festivities, the Blue and White teams compete in Penny Wars. The way Penny Wars works is each team has a bucket that they place Pen-nies into. Pennies count positively towards their total. But the other team can place silver coins and dollar bills into their bucket, which then subtracts from their total. So if the White Team places 200 pennies into their White Bucket, and the Blue Team places a dollar bill and 2 quarters into the White Bucket, the White Team's total is only 50 cents. Each team battles back and forth until the final day, when the coins and bills are added up. The team with the highest score wins a Spirit Night Point.

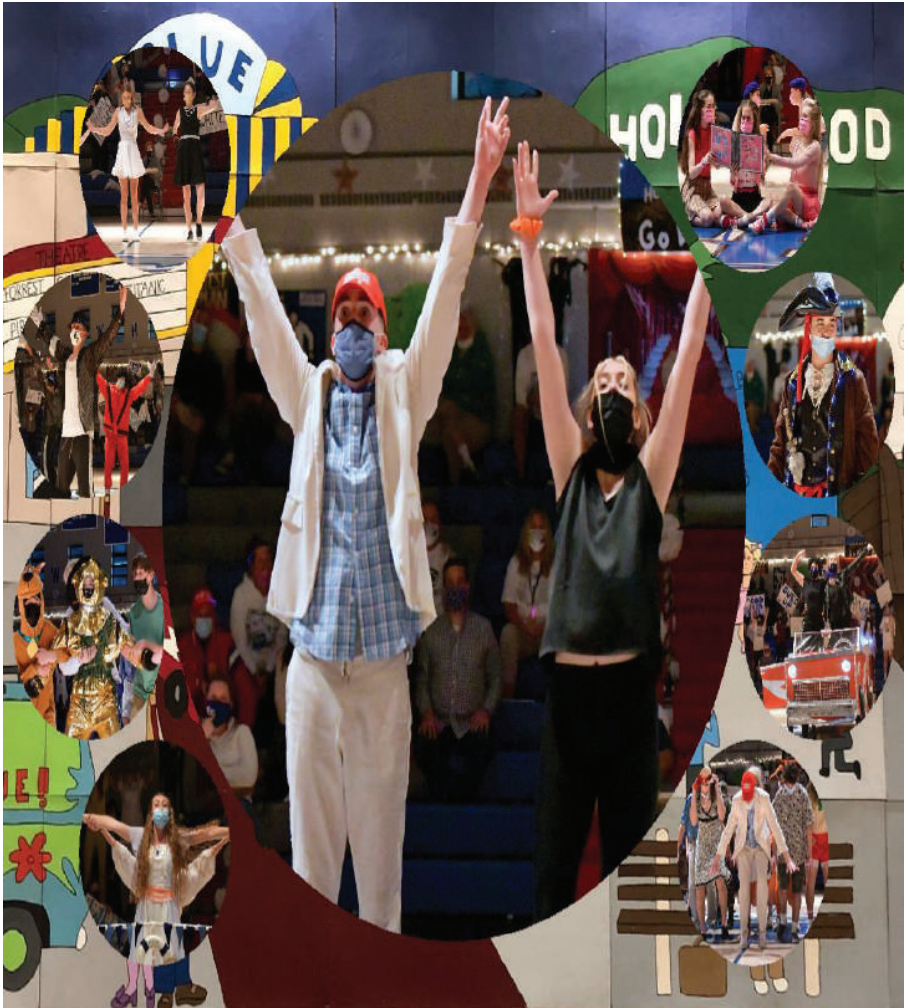

Both teams save all year to be able to help their team win. When all is said and done, the two teams come together as one and donate 100% of the proceeds to Catholic Charities. In 2021 alone, the students raised over \$2,400, with the White Team winning the Spirit Night points. Who will win the Penny Wars this year? We'll find out during the Saturday Night performance!

Put silver coins or dollar bills in another team's jug and they will lose points.

 = - 25 points

CELEBRATING

2012  
**10 YEARS**  
2022

HONORING OUR PAST | CELEBRATING OUR FUTURE

In February 2012, a historic announcement was made that created a unique opportunity for CEC to implement a new vision. Ten years later, CEC has been recognized as the Best Private School in Bucks County.

Over the course of the next five weeks, join us as we take a look at the history of CEC, the victory of 2012, and the impressive growth that we've seen since then in this compelling **5-part video series**.

Hear from a number of alumni, friends of CEC, and integral members of the CEC community who were (and still are) a part of CEC's remarkable transformation.

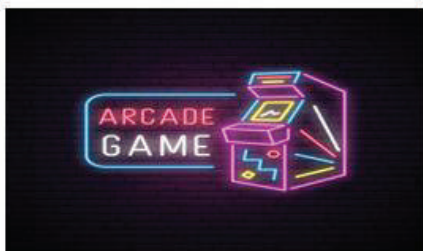

Scan this QR Code  
to be taken to Part 1  
of a Five Part Series  
on the efforts taken  
to save CEC!

Ladies Association of  
Conwell-Egan

**WISHES THE BEST OF LUCK  
TO THE STUDENTS OF THE  
BLUE AND WHITE TEAMS!**

Go Blue- 2022

DO YOUR BEST. FORGET THE REST.  
Have fun Kyle!  
Love, Mom, Dad, Abby & Maddie

PJ, Wishing you all the best on your last Spirit Night. Watching you perform and put your heart and soul into it has been so incredible to watch. We are so proud of you!!! Hope this one is the best one yet! We love you! XO, Mom, Dad & Sienna

PJ, I am soooooo proud of you!!! You are amazing and the best big bro!! I can't wait for my Spirit Night at Conwell-Egan!!! Go Blue!!  Love, your little sister, Sienna

PJ, "Grandmom and Grandpop are so proud of what you have accomplished. Never settle for less".

Good Luck PJ!!!! We love you! Go Blue!!!! Love, Aunt Kimmy and Uncle Jim

We are so proud of you PJ! "Don't stop believing!!!" Love Uncle James, Aunt Alyssa, and Baby Alex

Good luck to the BLUE TEAM!!! IT has been so surreal being alumni and involved in all 4yrs of Spirit Nights when I attended Conwell-Egan... And now, on the other side, now being the mom of a senior!!!

Thank you PJ!! I've had the pleasure of experiencing one of my favorite parts of high school all over again!! I'm feeling all of the emotions!!! Cheers to all of the amazing memories made, to the hard working, talented blue Moms, and the wonderful kids!! Let's go Blue!!! Good Luck White!!!

XO, Lori Levins/Millard 

Good Luck PJ and to the Blue Team!!! Love Grandmom Kate

Good Luck PJ!! We are so proud of you!! Love Uncle Chris, Aunt T, Bella and Cole

PJ, Good Luck!! Let's go Blue!! Love Aunt Tara, Uncle Norm, Molly and James

Good Luck PJ!! Love, Aunt Kathy, Uncle Bobby, Mara, Bobby and Jaxon

Good Luck PJ!!! We love you! Go Blue! Love Aunt Jen, Uncle Brian, Brian and Meghan

Good Luck Kev!!! It has been the best watching you and PJ... From tearing up the soccer field to tearing up the dance floor!!! We are definitely going to miss it!!! Good Luck Blue!! Love, The Millards

Ahlana, it has been so gret watching you work so hard, being a leader and having fun!! Good luck to you and the Blue Team!!! Love, The Millards 

MAhlana, I can't wait to watch you dance at Spirit Night!! Love you girl! XO, Sienna

WE ARE SO PROUD OF YOU, PJ!  
GO BLUE!!  
LOVE AUNT CATHERINE AND UNCLE  
RON.

# Overall WHITE Captain Jessica Ely 2022

**GO WHITE!!!!!!!!!!**

**GOOD LUCK BLUE!**

**We are so proud of what you have  
accomplished with all your hard work.  
Love Mom, Dad and Sara**

We've all experienced that same rush of dread and fear at least once in our life. Cash-strapped, desperate for another quarter, and wondering how we're ever going to move on with our lives. The excitement and glee that was once present, vanished in the blink of an eye. All taking place, of course, at your favorite Video Arcade.

You need to look long and hard these days to find a good Arcade that is still in operation. While they may have been ubiquitous in the 80's and 90's, the at-home game consoles have slowly brought about the end to many establishments. You can still find some around, many at the shore, where the lights and sounds can instantly bring a smile to anyone's face – a feeling of nostalgia and joy from times long gone past.

The Arcade for many helped develop some attributes and skills we never knew we were sharpening. Arcades gave us our first taste of competition, allowing us to engage in battle with either a computer, or "Player 2". Many of us also perfected our hand eye coordination, deftly learning how to maneuver and survive, as new perils and obstacles come our way. Problem solving, risk taking, critical thinking, and strategizing are a few other abilities we don't realize we are subtly learning and honing, that can translate seamlessly into our everyday lives.

Another byproduct all gamers will also experience is the inevitability of failure. However, rather than letting failure become an obstacle that obstructs progress and growth, most arcade games give us a chance to start over, hopefully now with the knowledge we need to improve and go forward. The ability to continue forward despite the defeats in the past, are an invaluable skill that can crossover and relate to all our lives.

To the Graduating Seniors - As you move on from CEC, don't think of this as "GAME OVER". Many of you will be placing a quarter into the Game of Life, and continuing on, be it to College or the Workforce. You have all wonderfully navigated your paths thus far through CEC, gaining experience, unlocking additional skills and abilities, and fortifying your intelligence and strength, as you have learned how the game is played. I look forward to seeing you all "Level Up" as you continue on into the game, and I am anxiously waiting to hear your tales of vic-tory when you return to visit in the future!

Mr. Dinan

Thanks to all who made  
this event possible.

A special thanks to  
all family, friends, and  
members of the community  
who came out to support  
the long standing tradition  
that is CEC Spirit Night!

CONTINUE?

YES NO
