

Twin Palms Homestay

Twin Palms is a housing and management service company dedicated to providing comprehensive services to schools, host families, students and overseas partners. We ensure a safe and efficient process when dealing with homestays. With local support and in-field personnel, we have the resources to make the process of hosting a student comfortable, safe and easy. Twin Palms' Homestay Coordinators recruit, manage and provide support to schools, students, and host families to ensure a rewarding experience for all participants.
